Re: WT Docket No. 97-207

Dear Ms. Salas:

On April 27, 2000, John Scott of Crowell and Moring and the undersigned spoke via telephone with Jim Schlichting of the Wireless Telecommunications Bureau about the Commission's proceeding on Calling Party Pays (CPP). We discussed the importance of FCC rules that promote uniformity in the notification process and minimize the risk of disparate state regulation that would frustrate CPP deployment.

Please include a copy of this ex parte presentation in the record for the above captioned proceeding. If you have any questions, you may call me on (202) 336-7873.
