

I am opposed to the Restructuring Reconsideration Petition filed by Wormser, Adsit, Dinelli, and Qualls. I hope The Commission will see fit to dismiss Docket 98-143 in its entirety without any reconsideration. Restructuring has been a breath of fresh air for an otherwise stagnant amateur radio service. Restructuring affords an opportunity for many knowledgeable amateurs to upgrade and become even more of an asset to public service, a very important part of the hobby. I see no reason to consider reversal of Restructuring as so wisely set forth by The Commission.
