Subject: In the Matter of: Request for Review by Bureau of Indian Affairs
Of a Decision of Universal Service Administrator Re FCC Docket
Nos.97-21 and 96-45

From: Deputy Director, School Operations *Joe Christie*

The Office of Indian Education Programs (OIEP) requests that the Federal Communications Commission review the decision of the Schools and Libraries Division (SLD) to deny OIEP's appeal of SLD's denial of services to our schools under the E-Rate program. A copy of the Administrator's Decision (Attachment 1) is attached for your reference.

The Bureau of Indian Affairs submitted a Form 471, Application Number: 139066 for the year 07/01/1999-06/30/2000 on April 4, 1999, (See Attachment 2). The application was to cover the costs of installing satellite Internet connectivity for 42 schools funded by the Bureau of Indian Affairs. The decision to use satellite services was made after an exhaustive search to find ways to connect schools in the most remote parts of the country. An SLD employee advised the Bureau of Indian Affairs that such services were acceptable. (Attachment 3).

On September 9, 1999 an SLD employee called Peter Camp, a BIA employee who serves as the BIA's contact person for the E-Rate program. Mr. Camp was asked what the services were being requested. Mr. Camp explained to the SLD employee in general detail what the BIA was hoping to accomplish. The SLD did not request additional documentation.

On November 16, 1999 the SLD issued a Funding Commitment Letter (See Attachment 4). The SLD denied funding for the Satellite.

On December 7, 1999 the BIA submitted an Appeal to the Schools and Libraries Division (See Attachment 5).

On March 28, 2000, the SLD issued a decision on the BIA's Appeal. The Appeal was denied.

List ABCDE

Both President Clinton and the Federal Communications Commission have made commitments to bring the Internet to Indian Country. The BIA's effort to connect its schools seriously in jeopardy if we are not allowed the use of satellite technology. We request favorable action on our appeal based on the attached documents so that we can provide services to Indian children.

The Bureau of Indian Affairs requests that the FCC review the SLD's decision based on the attached documents. If you have need for additional information, please contact Peter Camp at (505) 28-6197.

Your Correspondence Dated: December 10, 1999

After thorough review and investigation of your appeal, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company has resolved your appeal seeking approval of additional discounts for the second program year. This letter addresses our decision concerning each Funding Request Number that was included in your letter of appeal for the Application Number cited above. If your letter of appeal addressed more than one Application Number, a separate letter will be issued to inform you of our decision on the appeal of each Application Number.

Funding Request Numbers: 253435, 253457, 253468, 253486, 253496, 253517, 253437, 253458, 253471, 253489, 253497, 253518, 253439, 253460, 253472, 253490, 253499, 253524, 253440, 253462, 253475, 253491, 253501, 253525, 253446, 253463, 153477, 253492, 253505, 253527, 253449, 253465, 253480, 253493, 253506, 253528, 253455, 253467, 253483, 253494, 253514, 297853

Decision on Appeal: Denied in full

Denial Reason(s):

- According to information available during initial review of the application, which was the attachment 17 and confirmed during a phone conversation with Peter Camp on 9/9/99, the one time cost of \$27,000 for these requests is for the purchase of satellite equipment. The purchase of satellite equipment is not eligible for a discount under this program. Therefore, more than 30% of the funding request is for the purchase of satellite equipment which is an ineligible product according to program rules.

If you feel further examination of your application is in order, you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12TH Street, SW, Room TW-A325, Washington, DC 20554. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted to the SLD Web Site at <www.sl.universalservice.org>. You must file your appeal with the FCC no later than 30 days from the date of the issuance of this letter, in order for your appeal to be timely filed.

You should now move ahead, if you haven't already done so, with your Form 486 and related post-commitment arrangements for services for which funds have been committed and services have begun to flow. We thank you for your continued support, patience, and cooperation during the appeal process.
