FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

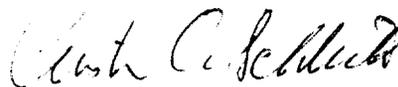

Re: *Application of SBC Communications Inc. Pursuant to Section 271 of the
Telecommunications Act of 1996 to Provide In-Region, InterLATA
Services in Texas, CC Docket No. 00-65*

Dear Ms. Salas:

Enclosed for filing please find an original and two copies of corrected Attachments C and D to the Supplemental Affidavit of Lincoln Brown, filed in Dockets 00-4 and 00-65 on April 5, 2000. These corrected attachments replace the same attachments, as filed on April 5, in their entirety. New Attachment D is an Accessible Letter announcing the general availability of loop pre-qualification information from CPSOS on April 5, 2000; this letter was inadvertently omitted from the April 5 filing. In addition, a correction to the text of the Brown Supplemental Affidavit should be made. In paragraph 18, the word "Frigate" should be deleted and replaced with the word "Verigate."

This material is being provided at the direct request of Commission staff. Please let me know if you have any questions about this matter.

Sincerely,

Austin C. Schlick

Brown Supplemental Affidavit – Attachment D

Accessible

 Southwestern Bell

“SOUTHWESTERN BELL - A General Availability of Preorder Loop Pre- Qualification in Complex Products Service Order System ”

Date: March 24, 2000

Number: **CLECSS00-043**

Contact: Southwestern Bell Account Manager

This Accessible Letter announces the general availability of the preorder loop pre-qualification tool in Southwestern Bell Telephone's Complex Products Service Order System (CPSOS) effective April 5, 2000.

CPSOS is an online application in the SWBT region which provides Operational Support System (OSS) access to obtain preorder “loop pre-qualification information” in support of DSL ordering as required by the SBC/Ameritech merger conditions.

Access to CPSOS may be requested through your Account Manager and is available after establishing OSS connectivity and completing a user ID request form.

Information on training classes and schedules can also be requested from your Account Manager or access the CLEC web site at <https://clec.sbc.com> for a training schedule on or after April 5, 2000.

The SWBT CPSOS User Guide will be provided and made available on our CLEC web site at <https://clec.sbc.com> for CLECs who have attended the training classes.

Should you have any questions, please contact your Account Manager.
