Re: Written *Ex Parte* in CC Docket No. 98-121
and CC Docket No. 99-295

Dear Ms. Salas:

This is to inform you that BellSouth Corporation has made a written ex parte to Jake Jennings, Deputy Chief of the Common Carrier Bureau's Policy and Program Planning Division. Copies of that ex parte were also sent to Claudia Fox, Jessica Rosenworcel, and Bill Dever of that Division. That ex parte answered questions that the staff posed during a teleconference on May 24, 2000. Those questions related to the number of loops that BellSouth moved from its network to that of a competitor's during the month of March, 2000.

Pursuant to Section 1.1206(b)(1) of the Commission's rules, for each of the dockets identified above, we are filing two copies of this notice and that written ex parte presentation. Please associate this notification with the record in each of those proceedings.

Sincerely,

Kathleen B. Levitz

Re: CC Docket No. 98-121 and CC Docket No. 98-56

Dear Mr. Jennings:

When we met with you and your staff on May 24, 2000, you asked how many UNE loop conversions we had done during the month of March, 2000. The correct answer is 2792. You also asked how many non-time specific loop conversions we performed during that month. The number is 122. If you have any questions after reviewing the documents, please call me at 202.463.4113.

Pursuant to Section 1.1206(b)(1) of the Commission's rules, for each of the dockets identified above, I am filing two copies of this written ex parte presentation with the Secretary of the Commission and requesting that it be associated with the record in those dockets.

Sincerely,
