Re: Ex Parte Presentation in CC Docket No. 96-98 and
WT Docket No. 99-217

Dear Ms. Salas:

Yesterday, William Rouhana Timothy Graham, and Joseph Sandri, Jr. of Winstar Communications, Inc., and I met with Commissioner Michael Powell and Peter Tenhula in connection with the above-referenced dockets.

We discussed the importance of building access for fixed wireless companies and the desirability of an early decision in the relevant dockets. We also briefly discussed the constitutional and jurisdictional consideration raised by opponents of building access regulations. In that regard, we indicated that we believed that building access regulations would not violate Fifth Amendment requirements nor require extraordinary conceptions of the Commission's jurisdiction.

In accordance with the Commission's rules, for each above-mentioned docketed proceeding, I hereby submit to the Secretary of the Commission two copies of this notice of Winstar's ex parte presentation.

Sincerely,

Philip L. Verveer
