Re: Proceeding Number RM-9882  
Document Type: COMMENT

Dear Ms. Salas:

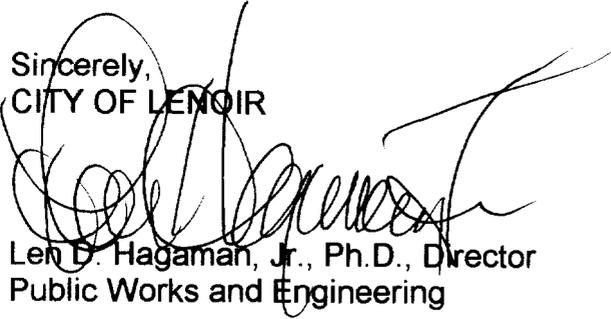

I wish to register my support for the Petition for Rule Change registered by Data Flow Systems, Inc., and described in Proceeding Number RM-9992.

The proposed rule change supports both public and private water (water, wastewater and stormwater control) utilities in their efforts to provide economical and safe water utility services to a rapidly growing base of United States citizens.

Please grant this petition for rule change.

Document Type: COMMENT

Dear Ms. Salas,

I wish to express my support for the Petition for Rule Change registered by Data Flow Systems, Inc., and described in Proceeding Number RM-9882.

The proposed change will support both public and private (water, wastewater and stormwater control) utilities in their efforts to provide economical and safe services to a rapidly growing base of United States citizens.

Please grant this requested rule change.

Sincerely,

**RE: Proceeding Number RM-9882**  
**Document Type: COMMENT**

Dear Ms. Salas:

Please allow this letter to represent the City of Union's support for the Petition for Rule Change registered by Data Flow Systems, Inc. The above-mentioned Proceeding Number RM-9882 contains a description of this Petition.

Public and private water utilities constantly strive to provide economical and safe water utility services, and this proposed rule change supports their ongoing efforts.

We would greatly appreciate that this Petition for Rule Change be granted.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles H. Potts", is written over a horizontal line.

Re: Proceeding Number RM-9882  
Document Type: COMMENT

Dear Ms. Salas:

I am writing to express my support for the Petition for Rule Change registered by Data Flow Systems, Inc., and described in Proceeding Number RM-9882.

Having been employed by a municipal water/wastewater system for thirty-two years, I can see the importance of the proposed rule change to both public and private water/wastewater systems in our efforts to, as economically as possible, protect public health and the environment.

Please grant this petition for rule change.

Sincerely,

Mack W. Edmisten  
Director of Water Resources
