Re: Revision of the Commission's Rules to Ensure  
Compatibility with Enhanced 911 Emergency  
Calling Systems, CC Docket No. 94-102

Dear Ms. Salas:

On June 22, 2000 Michael Amarosa and I, on behalf of TruePosition, Inc., met with Tom Sugrue and other officials of the Wireless Telecommunications Bureau.

Mr. Amarosa explained the results TruePosition's location technology attained in trials involving CDMA, TDMA, and AMPS. He also noted the increasing percentage of 911 calls that originate from wireless phones.

In accordance with the Commission's rules, we are submitting two copies of this letter.

Sincerely,

  
Philip L. Verveer

cc: Tom Sugrue
