**Re: Ex Parte Presentation
CC Docket No. 99-168**

Dear Ms. Salas:

On July 26, 2000, the Cellular Telecommunications Industry Association ("CTIA") represented by Brian Fontes, Senior Vice President for Regulatory Policy Law and Administration, and Douglas Brandon, AT&T Wireless, Catheryn Zachem, Wilkinson Bauker and Knauer representing Quest Wireless LLC, Larry Krevor, Nextel, Karen Posner, Bell South and Don Brittenham, Verizon met with Bryan Tramont, Legal Advisor to Commissioner Furchtgott-Roth. The parties discussed issues related to the auction of licenses in the 747 –762 and 777 – 792 MHz bands. Specifically, the parties discussed delaying the auction of licenses in the 700 MHz band, holding a longer "mock auction" with a longer period between the testing of software and the actual auction, and issues regarding the 700 MHz band clearing proposals. CTIA's position is set forth in the written ex parte submission attached hereto.

Pursuant to Section 1.1206 of the Commission's Rules, an original and one copy of this letter is being filed with your office. If you have any questions concerning this submission, please contact the undersigned.

Sincerely,

Dustun L. Ashton
