In the Matter of

INET Interactive Network System, Inc.'s
Acquisition of certain customers
of Group Long Distance, Inc.

PETITION FOR WAIVER OF COMMISSION RULES

1. INET Interactive Network System, Inc. ("INET") requests that the Federal Communications Commission (the "Commission") grant a waiver of its rules and orders governing the authorization and verification necessary to change a consumer's preferred carrier. As demonstrated herein, good cause exists for the granting of the waiver requested: the purposes for the general rule for which the waiver is being sought will be fulfilled by the measures proposed by INET, and the granting of the waiver requested will be in the public interest in general, and specifically in the interest of the customers whose accounts are affected by the change in carrier. See *Northeastern Cellular Telephone Company v. F.C.C.*, 897 F.2d 1164 (D.C. 1990); and *WAIT Radio v. F.C.C.*, 418 F.2d 1153 (D.C. 1969).
2. Within the next several days, INET intends to purchase certain assets from Group Long Distance, Inc. ("GLD") pursuant to a written Asset Purchase Agreement, a copy of which is attached hereto as Exhibit "A".

The assets purchased by INET include, but are not limited to: GLD's customer base as defined in the Asset Purchase Agreement. INET is in good standing in each jurisdiction required to provide interexchange services to the former GLD customers.

The special circumstances warranting a deviation or waiver from the Commission's rules and orders include the need to provide seamless transitions of long distance service for the affected GLD customers.

3. INET is in the process of sending notice letters to all GLD customers: notifying them of the proposed assumption of the customers' service by INET, assuring the customers that they will either receive the same or better rates and services than those which they were receiving from GLD, and advising the customers that they can choose a different preferred carrier should they desire. Once the proposed sale has been consummated, INET will notify the customers of that event and reiterate the foregoing information, assurances and advice. Further, INET will amend its domestic tariff to include any GLD tariffed rates for any customers for which INET will provide service. Additionally, INET will take responsibility to investigate, respond, and attempt to cure any complaints of former GLD customers after the sale.

4. The Commission is charged with administration in the "public interest." INET submits that allowing it to continue service to the former GLD customers would be a seamless transition, in that there would be no P.I.C. charges incurred by any of the former GLD customers and no interruption of service. Thus, the granting of the requested waiver by the Commission will be in the public interest in general, and specifically in the interest of the GLD customers whose accounts are affected by the proposed and pending sale.

WHEREFORE, for each of the above reasons and subject to the foregoing conditions, INET requests that, effective immediately, the Commission grant a waiver of

its rules and orders to allow INET to be designated the preferred long distance carrier for the involved customers of GLD without obtaining the customers' authorization and verification.

This 27th day of July, 2000.

Respectfully submitted,

EllenAnn G. Sands

3. Representations and Warranties of GLD. GLD represents and warrants to INET that the statements contained in this section 3 are correct and complete as of the date of this Agreement and will be correct and complete as of the Closing Date (as though made then and as though the Closing Date were substituted for the date of this Agreement throughout this section 3), except as set forth in the disclosure schedule accompanying this Agreement and initialed by the Parties (the "Disclosure Schedule"). The Disclosure Schedule will be arranged in paragraphs corresponding to the lettered and numbered paragraphs contained in this section 3.

(a) Organization of GLD. GLD is a corporation duly organized, validly existing, and in good standing under the laws of the jurisdiction of its incorporation.

Except as set forth in section 5(b) below, GLD does not need to give any notice to, make any filing with, or obtain any authorization, consent, or approval of any government or governmental agency or other party in order for the Parties to consummate the transactions contemplated by this Agreement.

(d) Brokers' Fees. GLD has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to the transactions contemplated by this Agreement for which INET could become liable or obligated.

(e) Title to Assets. GLD has good and marketable title to all of the Acquired Assets, free and clear of any security interest or restriction on transfer.

(f) Legal Compliance. GLD has complied with all applicable laws (including rules, regulations, codes, plans, injunctions, judgments, orders, decrees, rulings, and charges thereunder) of federal, state, local, and foreign governments (and all agencies thereof) the failure of which would have a material adverse impact on the Acquired Assets or the ability of GLD to consummate the transactions contemplated by this Agreement, and no action, suit, proceeding, hearing, investigation, charge, complaint, claim, demand, or notice has been filed or commenced against it alleging any failure so to comply.

(g) Litigation. GLD is not subject to any outstanding injunction, judgment, order, decree, ruling or change that would adversely affect GLD's ability to consummate the transactions described herein and there is no action, suit, proceeding, hearing, or investigation of, in, or before any court or quasi-judicial or administrative agency of any federal, state, local, or foreign jurisdiction or before any arbitrator pending or, to GLD's knowledge, threatened, that if determined adversely would affect GLD's ability to consummate the transactions described herein.

(h) Customer Base. Each member of the Customer Base has been active for more than 90 days and the account may be transferred to INET under the terms of this Agreement.

4. Representations and Warranties of INET. INET represents and warrants to GLD that the statements contained in this section 4 are correct and complete as of the date of this Agreement and will be correct and complete as of the

Closing Date (as though made then and as though the Closing Date were substituted for the date of this Agreement throughout this section 4), except as set forth in the Disclosure Schedule. The Disclosure Schedule will be arranged in paragraphs corresponding to the lettered and numbered paragraphs contained in this section 4.

(a) Organization of INET. INET is a limited liability company duly organized, validly existing, and in good standing under the laws of the jurisdiction of its organization.

(b) Authorization of Transaction. INET has full power and authority (including full limited liability company power and authority) to execute and deliver this Agreement, the Note, the Security Agreement and the Services Agreement and to perform its obligations hereunder and thereunder. This Agreement, the Note, the Security Agreement and the Services Agreement constitute valid and legally binding obligations of INET, enforceable in accordance with their respective terms and conditions except as limited by bankruptcy, insolvency or similar laws of general application effecting the enforcement of creditors' rights generally and general principals of equity.

(c) Noncontravention. Neither the execution, delivery or performance of this Agreement, the Note, the Security Agreement or the Services Agreement, nor the consummation of the transactions contemplated hereby and thereby does or will, with or without the giving of notice or the passage of time, conflict with, result in or constitute a breach, default, right to accelerate or loss of rights under INET any law, rule, regulation, statute, order, judgment or decree or any contract, agreement, lease, license or instrument to which INET is a party or by which INET is bound. Except as set forth in section 5(b) below, INET does not need to give any notice to, make any filing with, or obtain any authorization, consent, or approval of any government or governmental agency or other party in order for the Parties to consummate the transactions contemplated by this Agreement.

(d) Brokers' Fees. INET has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to the transactions contemplated by this Agreement for which GLD could become liable or obligated.

5. Covenants. The Parties agree as follows:

(a) General. Each of the Parties will use its reasonable best efforts to take all action and to do all things necessary in order to consummate and make effective the transactions contemplated by this Agreement (including satisfaction, but not waiver, of the closing conditions set forth in section 6 below).

(b) Notices and Consents. GLD agrees it will use its reasonable best efforts to assist INET in obtaining the necessary licenses with respect to

provision of telecommunication services to the Customer Base (and Schedule 5(b) attached hereto sets forth all of the licenses necessary with respect to provision of telecommunication services by GLD to the Customer Base) and GLD will give any notices to third parties and use its reasonable best efforts to obtain any third party consents that INET reasonably may request (including, without limitation, a consent from TALK with respect to this Agreement and the Services Agreement) in connection with the matters referred to in section 3(c) above. If an inability of INET for any reason to promptly obtain such licenses would impair INET's rights under the instrument in question so that INET would not in effect acquire the benefit of all rights of legal ownership of the Acquired Assets, GLD, to the maximum extent permitted by law and the license shall act as INET's agent in order to obtain for it the benefits thereunder and shall cooperate, to the maximum extent permitted by law and the license, with INET in any other reasonable arrangement designed to provide such benefits to INET. Each of the Parties will give any notices to, make any filings with, and use its reasonable best efforts to obtain any authorizations, consents, and approvals of governments and governmental agencies in connection with the matters referred to in section 3(c) and section 4(c) above.

(c) Operation of Business. Except as specifically set forth in this Agreement, GLD will not engage in any practice, take any action, or enter into any transaction outside the Ordinary Course of Business with respect to the Acquired Assets from the date of this Agreement through the Closing.

(d) Full Access. GLD will permit representatives of INET to have full access at all reasonable times, and in a manner so as not to interfere with the normal business operations of GLD, to all premises, properties, personnel, books, records (including tax records), contracts, and documents of or pertaining to the Acquired Assets. INET will treat and hold as such any Confidential Information it receives from GLD in the course of the reviews contemplated by this section 5(d), will not use any of the Confidential Information except in connection with this Agreement, and, if this Agreement is terminated for any reason whatsoever, will return to GLD all tangible embodiments (and all copies) of the Confidential Information which are in its possession.

(e) Notice of Developments. Each Party will give prompt written notice to the other Party of any material adverse development causing a breach of any of its own representations and warranties in section 3 and section 4 above. No disclosure by any Party pursuant to this section 5(e), however, shall be deemed to amend or supplement the Disclosure Schedule or to prevent or cure any misrepresentation, breach of warranty, or breach of covenant.

(f) Transfer and Payment. INET will pay any transfer taxes, fees and other charges with respect to the transfer of the Acquired Assets.

(g) Non-Solicitation. Until such time as all of the necessary consents and approvals with respect to the transfer of the Acquired Assets have been obtained and INET has obtained all of the necessary licenses pursuant to section 5(b) above, INET agrees that it will not solicit or provide any services to the Customer Base, directly or indirectly other than through GLD pursuant to the Services Agreement.

(h) Legal Opinion. Within 180 days after Closing, GLD's counsel shall deliver to INET a legal opinion in form, detail and content satisfactory to INET and INET's counsel relating to the matters set forth in sections 3(a), (b), (c), (f) and (g) above.

(i) Customer Base. Upon the earlier of (i) 180 days after Closing or (ii) such time as all of the necessary consents and approvals with respect to the transfer of the Acquired Assets has been obtained and INET has obtained all of the necessary licenses pursuant to section 5(b) above, with GLD's assistance, INET shall have obtained from TALK a complete list of each customer comprising the Customer Base including, without limitation, each customer's name, address, telephone number and industry standard ANI.

6. Conditions to Obligation to Close.

(a) Conditions to Obligation of INET. The obligation of INET to consummate the transactions to be performed by it in connection with the Closing is subject to satisfaction of the following conditions:

(i) the representations and warranties set forth in section 3 above shall be true and correct in all material respects at and as of the Closing Date;

(ii) GLD shall have performed and complied with all of its covenants hereunder in all material respects through the Closing;

(iii) GLD shall have procured all of the material third party consents specified in section 5(b) above and used its reasonable best efforts to obtain or assist INET in obtaining all necessary governmental agency approvals specified in section 5(b) above;

(iv) no action, suit, or proceeding shall be pending before any court or quasi-judicial or administrative agency of any federal, state, local, or foreign jurisdiction or before any arbitrator wherein an unfavorable injunction, judgment, order, decree, ruling, or charge would (A) prevent consummation of any of the transactions contemplated by this Agreement, (B) cause any of the transactions contemplated by this Agreement to be rescinded following consummation, or (C) affect adversely the right of INET to own the Acquired Assets

or the ability of GLD to comply with its obligations under the Services Agreement (and no such injunction, judgment order, decree, ruling or charge shall be in effect);

(v) GLD shall have delivered to INET a certificate to the effect that each of the conditions specified above in section 6(a)(i)-(iv) is satisfied in all respects;

(vi) GLD shall have delivered to INET a duly executed copy of the Services Agreement; and

(vii) all actions to be taken by GLD in connection with consummation of the transactions contemplated hereby and all certificates, opinions, instruments, and other documents required to effect the transactions contemplated hereby will be reasonably satisfactory in form and substance to INET.

INET may waive any condition specified in this section 6(a) if it executes a writing so stating at or prior to the Closing.

(b) Conditions to Obligation of GLD. The obligation of GLD to consummate the transactions to be performed by it in connection with the Closing is subject to satisfaction of the following conditions:

(i) the representations and warranties set forth in section 4 above shall be true and correct in all material respects at and as of the Closing Date;

(ii) INET shall have performed and complied with all of its covenants hereunder in all material respects through the Closing;

(iii) no action, suit, or proceeding shall be pending before any court or quasi-judicial or administrative agency of any federal, state, local, or foreign jurisdiction or before any arbitrator wherein an unfavorable injunction, judgment, order, decree, ruling, or charge would (A) prevent consummation of any of the transactions contemplated by this Agreement or (B) cause any of the transactions contemplated by this Agreement to be rescinded following consummation (and no such injunction, judgment, order, decree, ruling, or charge shall be in effect);

(iv) INET shall have delivered to GLD a certificate to the effect that each of the conditions specified above in section 6(b)(i)-(iii) is satisfied in all respects;

(v) INET shall have delivered to GLD duly executed copies of the Note, the Security Agreement, the Financing Statements and the Services Agreement; and

(vi) all actions to be taken by INET in connection with consummation of the transactions contemplated hereby and all certificates, opinions, instruments, and other documents required to effect the transactions contemplated hereby will be reasonably satisfactory in form and substance to GLD.

GLD may waive any condition specified in this section 6(b) if it executes a writing so stating at or prior to the Closing.

7. Termination.

(a) Termination of Agreement. Certain of the Parties may terminate this Agreement as provided below:

(i) INET and GLD may terminate this Agreement by mutual written consent at any time prior to the Closing;

(ii) INET may terminate this Agreement by giving written notice to GLD at any time prior to the Closing (A) in the event GLD has breached any material representation, warranty, or covenant contained in this Agreement in any material respect, INET has notified GLD of the breach, and the breach has continued without cure for a period of five (5) days after the notice of breach or (B) if the Closing shall not have occurred on or before _____, by reason of the failure of any condition precedent under section 6(a) hereof (unless the failure results primarily from INET itself breaching any representation, warranty, or covenant contained in this Agreement); and

(iii) GLD may terminate this Agreement by giving written notice to INET at any time prior to the Closing (A) in the event INET has breached any material representation, warranty, or covenant contained in this Agreement in any material respect, GLD has notified INET of the breach, and the breach has continued without cure for a period of five (5) days after the notice of breach or (B) if the Closing shall not have occurred on or before _____ by reason of the failure of any condition precedent under section 6(b) hereof (unless the failure results primarily from GLD itself breaching any representation, warranty, or covenant contained in this Agreement).

(b) Effect of Termination. If any Party terminates this Agreement pursuant to section 7(a) above, all rights and obligations of the Parties hereunder shall terminate without any liability of any Party to any other Party (except for any liability of any Party then in breach); provided, however, that the confidentiality provisions contained in section 5(e) above shall survive termination.

8. Miscellaneous.

(a) Survival of Representations and Warranties. All of the representations and warranties of the Parties contained in this Agreement shall survive the Closing hereunder for a period of twelve months from the Closing Date.

(b) Press Releases and Public Announcements.
