ORDER

Adopted: August 14, 2000

Released: August 15, 2000

By the Accounting Policy Division, Common Carrier Bureau:

1. The Accounting Policy Division (Division) has under consideration a Letter of Appeal filed by Huron City School District (Huron), Huron, Ohio, on May 24, 2000.¹ Huron requests review of a decision by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company to deny Huron's application for discounted services under the schools and libraries universal service support mechanism. For the reasons set forth below, we deny the Letter of Appeal and affirm SLD's denial of Huron's application.

2. Under the schools and libraries universal service support mechanism, eligible schools, libraries, and consortia that include eligible schools and libraries, may apply for discounts for eligible telecommunications services, Internet access, and internal connections.² The Commission's rules provide that, with one limited exception for existing, binding contracts, an eligible school, library or consortium that includes eligible schools or libraries must seek competitive bids for all services eligible for support.³ In accordance with the Commission's rules, an applicant must file with SLD, for posting to its website, an FCC Form 470 requesting

services.⁴ The applicant must wait 28 days before entering into an agreement with a service provider for the requested services and submitting an FCC Form 471 requesting support for the services ordered by the applicant.⁵ Further, the instructions for the FCC Form 471 state that the date of signature for the FCC Form 471 "CANNOT be earlier than the 29th day following the posting of the associated FCC Form 470 to the [SLD] Web Site."⁶

3. Upon review of the record, the Division concludes that SLD correctly denied Huron's request for support. A signature date on an FCC Form 471 or on a service provider agreement that predates the expiration of the 28-day posting period indicates that the applicant failed to wait 28 days before entering into an agreement with a service provider and therefore violated the Commission's competitive bidding rules.⁷ The Common Carrier Bureau has consistently denied requests for review by applicants that had similarly violated the Commission's competitive bidding rules.⁸ The Division, therefore, denies Huron's Letter of Appeal.

4. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91, 0.291, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, and 54.722(a), that the appeal filed by Huron City School District, Huron, Ohio, on May 24, 2000, IS DENIED.
