FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

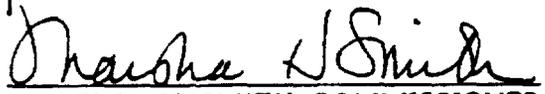

Dear Ms. Schroder:

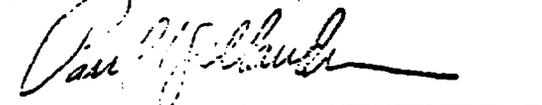

The Idaho portion of U S WEST's Afton, Wyoming exchange, an area known as Tygee Valley, is currently in the process of being sold by U S WEST to Citizens Telecommunications. Part of the approval of this sale requires the FCC to approve the changes in study area boundaries for both U S WEST and Citizens Telecommunications.

The Idaho Public Utilities Commission wishes to notify the FCC that, contingent upon the Wyoming PSC's approval of the Wyoming sale, the Idaho PUC does not object to the FCC granting necessary study area waivers, nor does it object to any necessary reconfiguration of study area boundaries involving the Idaho portion of the Afton, Wyoming exchange.

Sincerely,

DENNIS S. HANSEN, PRESIDENT

Re: Qwest/Citizens Request for Study Area Waiver in Wyoming

Dear Ms. Schroder:

The Public Service Commission (PSC) of Wyoming submits this letter in anticipation of the filing of a joint petition for waiver of study area boundary by Qwest Corporation (Qwest), f/k/a U S WEST Communications, Inc., and Citizens Telecommunications Company of Wyoming, Inc. (Citizens) arising from the sale and purchase of five Wyoming exchanges (Afton, Lake, Lusk, Mammoth and Old Faithful). The sale and purchase is part of a transaction where Citizens will acquire these five Wyoming exchanges from Qwest.

Pursuant to the Common Carrier Bureau's order issued June 21, 1995, in Dockets DA 95-1403 and AAD 95-78, local exchange carriers are required to file with the Federal Communications Commission (FCC) as part of any petition for a waiver of study area boundary, a state certificate or other valid document that demonstrates that the affected state commission does not object to a proposed reconfiguration of the study area boundaries.

This letter is written to confirm that the Wyoming PSC does not object to the granting of a study area waiver associated with the sale of these five exchanges under consideration by the Wyoming PSC in Docket Nos. 70000-TR-99-525 and 70061-TA-99-1.

Ms. Katherine Schroder

It is the Wyoming PSC's intent that this statement be accepted as compliance with the requirement set forth in the Common Carrier Bureau's order issued June 21, 1995 (DA 95-1403 and AAD 95-78) thereby clearing the way for filing of the joint petition for waiver of the study area boundary. Questions or concerns may be directed to the PSC's counsel, David Lucero at 307-777-7478.
