the Delivery of Video Programming, CS Docket No. 00-132

Dear Ms. Salas:

Yesterday, C. Michael Armstrong, AT&T Chairman of the Board and Chief Executive Officer, James W. Cicconi, AT&T General Counsel and Executive Vice President, and I met with Commissioner Michael K. Powell and Kyle Dixon, Legal Advisor to Commissioner Powell. We discussed a number of issues that touch upon matters related to the referenced proceedings. Specifically, we discussed AT&T's concern that the Commission's cable ownership and attribution rules are arbitrary and overly restrictive. We also discussed the competitive marketplace distortions introduced by the assessment of a carrier's universal service fund contributions based on prior year revenues, and by interexchange geographic rate averaging requirements.

Our comments on these issues were consistent with AT&T's written submissions in the referenced proceedings.

For each of the referenced proceedings, two copies of this Notice are being submitted in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink, appearing to be "S. J. Lee", written in a cursive style.
