Re: **EX PARTE**
CC Docket No. 95-155

Dear Ms. Salas:

On September 21, 2000, I represented NeuStar in a meeting with Anna Gomez of Chairman Kennard's staff. The purpose of the meeting was to review NeuStar's recent activities. During the course of the meeting, we addressed some issues raised in this proceeding.

Specifically, NeuStar discussed the history of the administration of toll free access codes, the amount of revenue associated with toll free administration, service problems identified by some Responsible Organizations (RespOrgs) in this proceeding, and activities of the North American Numbering Council related to this proceeding. NeuStar stated that it would be interested in bidding on this service if the FCC proceeded with a competitive bid.

Pursuant to Section 1.49(f)(1) of the Commission's rules, one electronic copy of this letter is being submitted via the Commission's Electronic Comment Filing System for inclusion in the record in the above-captioned proceeding. Please direct any questions to the undersigned.

Sincerely,

/s/ Leonard S. Sawicki
