Re: CC Docket No. 99-200

Dear Ms. Salas:

On September 29, 2000, I spoke by telephone with Yog Varma of the Common Carrier about the impact upon BellSouth of the Commission's recently adopted rule that conditions a carrier's ability to receive additional numbering resources on its demonstrating that its numbering resources will exhaust in a rate center in six months. Our discussion focused upon pages 6,7 and 9 of the document that BellSouth used to present its position on this issue in an *ex parte* meeting on September 27, 2000 and that was filed with you on September 28, 2000.

As required Commission's rules, I am filing two copies of this notice and ask that you place this notification in the record of the proceeding identified above.
Thank you.

Sincerely,

Kathleen B. Levitz sdl
