Re: GEN Docket No. 90-314,
Ex Parte Presentation
Amendment of the Commission's Rules to Establish New Personal
Communications Services, Narrowband PCS

Dear Ms. Salas:

On October 6, 2000, on behalf of FreeSpace Communications, LLC, I spoke by telephone with Roger Noel of the Wireless Telecommunications Bureau regarding the above-referenced proceeding. We briefly discussed the status of this proceeding and an industry proposal advanced by PCIA. I also noted FreeSpace's position, as described in its comments filed on July 19, 2000, that the Commission should license this spectrum in a flexible manner and create large channel blocks if possible.

Pursuant to section 1.1206(b)(1) of the Commission's rules, 47 C.F.R. § 1.1206(b)(1), an original and one copy of this letter are being provided to you for inclusion in the public record of the above-referenced proceeding.

Sincerely,

Charles W. Logan
