Interest

NationWide Radio Stations (NationWide) was the petitioner that started this process by asking the FCC to place channel 233C3 at Quanah, Texas, as a new local service. NationWide is unclear about the process whereby it gets to file an application, but it is still interested in a channel at Quanah and intends to file an application (or be a part of a group that files an application) for this new station. If NationWide is correct that it is suppose to do a second filing for this station, it respectfully request that this document be accepted as that expression.

Sincerely,

Marie Drischel
