Dear President.

I have tried and tried to get Mr B Kennard Chm FCC and W Feaster FCC IG to realize something is "rotten in DMK" and reissue Herb S. KV4FZ amateur radio license. Herb is a fine fellow and cicumstance created a backlash so great that he was attacked by our very own system of laws, and FCC for reasons unexplainable, so weard, has not yet showed its GOODWILLE and just signed off on his renewal KV4FZ. Our radio system as we know it was developed by our technical persons and allways the GOODWILLE between us all made this achievement

possible. I am also into US wireless radio history from the

period 1864 - 1874 and I am shure you know about the Mahlon Loomis file in the US Library of Congress and the "100 Year Aniversary" they had in 1972 with 55 documents and sketches and artifact from the Smithsonian. I am under Loomis Sci Res Fnd publishing the book by Thomas Appelby (c67) "Mahlon Loomis Inventor of Radio" and have a website at <http://www.netcom.com/~n3rf> for your family to enjoy. Please call Chairman B Kennard at the FCC to "make the buck stop here" so Herb , a very fine old radio type get his amateur radio license renewed. Best wishes allways from Johan K.V.
