Important Consumer Financing Information Common to All Plans:

Subject to credit approval on Best Buy Credit Card issued (based on store where you apply) by GE Capital Consumer Card Co., an Ohio bank, or Household Bank (SB), N.A. (HRS USA). Accounts are for individuals, not businesses. Minimum Finance Charge is 5%. Optional insurance charges are added to minimum monthly payment. Complete information available at Best Buy stores.

Information Specific to Deferred Interest Plans: Standard Variable APR as of 9/15/00 is 23.9%. Default APRs are higher than Standard Variable APR (GE = fixed rate of 24.75%; if payment more than 30 days late; HRS USA = variable, Prime Rate +18.4% on Accounts not kept current). On plans in default minimum monthly payment is greater of \$10 or 2.25% of account balance.

Price Guarantee & Rainchecks: If, within 30 days (14 days for computers, monitors, printers and notebooks, camcorders, digital cameras and radar detectors) of your purchase from Best Buy, you find a local competitor offering a lower price on an available product of the same brand and model, we'll refund the difference plus another 10% of the difference. Bring us verification of the lower price, plus your original Best Buy receipt to claim your refund. Does not apply to special, bonus or free offers, and in California cellular phones and pagers. Does not apply to products with special financing offers. For complete price guarantee details, please see a customer service representative.
