Emergency Petition of the Texas Commission on State Emergency  
Communications for FCC Compliance Oversight Regarding the Six-Month  
Deadline for Implementation of Wireless E9-1-1 Phase I Service And  
Conditional Petition for Maximum Sanctions Against Carriers for  
Violations of the FCC's Wireless E9-1-1 Rules Related to those Wireless

Dear Mr. Starr:

On October 9, 2000, the Texas Commission on State Emergency Communications ("TX-CSEC") requested assistance from your division to review the almost industry-wide violation of FCC Rule 20.18 in Texas. Today, the TX-CSEC has filed a request to withdraw the above-styled petition. Accordingly, the TX-CSEC respectfully withdraws its request for assistance from your division.

The TX-CSEC desires to protect the public safety of the citizens in Texas. The TX-CSEC may pursue complaints or petitions on an individual basis through the appropriate divisions of the FCC's Enforcement Bureau.

Respectfully submitted,

Rupaco T. González, Jr.  
Attorney for the Texas Commission on State Emergency Communications
