**Re: Public Payphone Matters:  
CC Docket No. 96-128/CCB/CPD File No. 00-1**

Dear Ms. Salas:

This letter reports an oral ex parte contact. On Friday, December 1, the undersigned had a telephone conference with Mr. Martin Schwimmer of the Federal Communications Commission's Common Carrier Bureau. Mr. Schwimmer and I discussed various options available to the Commission to address the concerns raised by the payphone service providers ("PSPs") in the pending open proceeding regarding the collection of dial-around compensation. We also discussed various procedural alternatives available to the Commission for reaching different results.

If you have any questions, please do not hesitate to give me a call.

Sincerely,

*Albert Kramer by RFA*
