Re: Docket No. 99-339 /

Dear Ms. Salas:

I am submitting this letter in opposition to petitioners for reconsideration of the reported order on video description. I was very pleased with the Commissioners of the FTC for their courageous vote requiring the networks to begin providing video description for people who are blind and visually impaired. I was eagerly looking forward to April 2002, when television shows could be enjoyed by the visually impaired due to the video descriptions.

Therefore, I urge the Commissioners, since no new information has been presented, to reaffirm the value of video descriptions and to sustain the position they took in July.

Thank you.
