RECEIVED

DEC 21 2000

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

**Re: Implementation of the Local Competition Provisions of the
Telecommunications Act of 1996, CC Docket No. 96-98, Intercarrier
Compensation for ISP-bound Traffic, CC Docket No. 99-68 - Notice of Ex
Parte Presentation**

Dear Ms. Salas:

On December 20, 2000, Lee Schroeder, Vice President, Government and Regulatory Strategy for Cablevision Lightpath, Inc. ("Lightpath"), and the undersigned met with Rebecca Beynon, Legal Advisor to Commissioner Furchtgott-Roth. The purpose of the meeting was to discuss intercarrier compensation. The parties also discussed the Commission's review of its finding that competitive LECs without access to unbundled local switching are not impaired in their ability to serve customers with four or more lines in density zone 1 in the top 50 metropolitan statistical areas where the incumbent LEC provides nondiscriminatory access to the enhanced extended link, or "EEL."

Pursuant to sections 1.1206(b)(1) and (b)(2) of the Commission's rules, an original and one copy of this letter are being filed with the Office of the Secretary. Copies of the letter are also being served on the Commission personnel who participated in the meeting.
