**Re: Implementation of the Local Competition Provisions of the
Telecommunications Act of 1996, CC Docket No. 96-98, Intercarrier
Compensation for ISP-bound Traffic, CC Docket No. 99-68 - Notice of *Ex
Parte* Presentation**

Dear Ms. Salas:

On December 22, 2000, Lee Schroeder, Vice President, Government and Regulatory Strategy for Cablevision Lightpath, Inc. ("Lightpath"), held a conference call with Deena Shetler, Legal Advisor to Commissioner Tristani. The purpose of the meeting was to discuss intercarrier compensation. The parties also discussed the Commission's review of its finding that competitive LECs without access to unbundled local switching are not impaired in their ability to serve customers with four or more lines in density zone 1 in the top 50 metropolitan statistical areas where the incumbent LEC provides nondiscriminatory access to the enhanced extended link, or "EEL."

Pursuant to sections 1.1206(b)(1) and (b)(2) of the Commission's rules, an original and one copy of this letter are being filed with the Office of the Secretary. Copies of the letter are also being served on the Commission personnel who participated in the meeting.
