Re: *Ex parte* presentation in WT Docket No. 96-86.

Dear Ms. Salas:

This letter will memorialize that on January 3, on behalf of Motorola, Inc., I discussed the above-referenced proceeding with Peter Tenhula of Commissioner Powell's office. The discussion focused on the ability of 700 MHz public safety licensees to deploy Project 25, Phase I technology.

Pursuant to Section 1.1206 of the Commission's rules, an original and one copy of this letter are being submitted. Should any questions arise concerning this matter, please let me know.

Sincerely,

Robert L. Pettit  
Counsel for Motorola, Inc.
