Re: Oral Ex Parte Presentation
ET Docket No. 00-221
FCC 00-395

Dear Madame Secretary:

In accordance with Section 1.1206 of the Commission's Rules, 47 CFR Section 1.1206, we hereby provide you with notice of an oral ex parte presentation in conjunction with the above-captioned proceeding. On January 17, 2001 Marc Goldberg of ArrayComm, Inc. (ArrayComm) and the undersigned, Counsel for ArrayComm, met with Julius Knapp of the Office of Engineering and Technology and members of his staff. The purpose of the meeting was to relate ArrayComm's analysis of the utility of 1670-1675 MHz for its TDD system, and to describe initiatives that ArrayComm has taken with meteorological and astronomy interests who operate on either side of this band. It is ArrayComm's intention to be a good neighbor to these services and we wanted to be sure that we were taking appropriate action to realize that objective.

In accordance with the Commission's Rules, two copies of this letter are enclosed for inclusion in the Commission's docket file.

If there are questions or if any additional information is required, please contact me directly at (202) 828-9464.

Sincerely,

Leonard S. Kolsky
