NOTICE OF PROPOSED RULE MAKING

Adopted: January 3, 2001

Released: January 5, 2001

Comment Date: February 26, 2001
Reply Comment Date: March 13, 2001

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by The University of North Carolina ("UNC"), licensee of noncommercial educational station WUNM-TV, NTSC channel *19, Jacksonville, North Carolina. UNC requests the substitution of DTV channel *18 for station WUNM-TV's assigned DTV channel *44.

2. UNC states that the adoption of its channel substitution proposal is essential to permit implementation of station WUNM-TV's DTV service utilizing its existing tower. Specifically, UNC claims that its existing tower, which it shares with station WCTI-TV, cannot support additional loading resulting from the installation of a channel *44 antenna. Furthermore, it asserts that there are no other comparable towers in the area. UNC states that by employing the same antenna for both analog and DTV stations on channel 19 and 18 respectively, WUNM-TV and WUNM-DT can enjoy the extensive coverage inherent with use of a tall tower, without adversely impacting the integrity of the tower. UNC notes that the use of a single antenna will also result in substantial cost savings.

3 We believe petitioner's proposal warrants consideration. DTV Channel *18 can be substituted for DTV Channel *44 at Jacksonville, North Carolina, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (35-06-18 N. and 77-20-15 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel *18 for DTV Channel *44 for station WUNM-TV at Jacksonville with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
--------------	-------------	----------------	------------------

NC Jacksonville	*18	65	561
-----------------	-----	----	-----

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Present</u>	<u>Channel No.</u> <u>Proposed</u>
Jacksonville, North Carolina	34, *44	*18, 34

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before February 26, 2001, and reply comments on or before March 13, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. 7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex

parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
