By the Accounting Policy Division, Common Carrier Bureau:

1. The Accounting Policy Division (Division) has under consideration a Request for Review filed by Livingston Parish School District (Livingston Parish), Livingston, Louisiana, on May 26, 2000.<sup>1</sup> Livingston Parish requests review of a decision by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company to deny Livingston Parish's application for discounted services under the schools and libraries universal service support mechanism.<sup>2</sup> For the reasons set forth below, we deny the Request for Review and affirm SLD's denial of Livingston Parish's application.

2. Under the schools and libraries universal service support mechanism, eligible schools, libraries, and consortia that include eligible schools and libraries, may apply for discounts for eligible telecommunications services, Internet access, and internal connections.<sup>3</sup> The Commission's rules provide that, with one limited exception for existing, binding contracts, an eligible school, library or consortium that includes eligible schools or libraries must seek

competitive bids for all services eligible for support.<sup>4</sup> In accordance with the Commission's rules, an applicant must file with SLD, for posting to its website, a FCC Form 470 requesting services.<sup>5</sup> The applicant must wait 28 days before entering into an agreement with a service provider for the requested services and submitting an FCC Form 471 requesting support for the services ordered by the applicant.<sup>6</sup>

3. Upon review of the record, the Division concludes that SLD correctly denied Livingston Parish's request for support. A signature date on an FCC Form 471 or on a service provider agreement that predates the expiration of the 28-day posting period indicates that the applicant failed to wait 28 days before entering into an agreement with a service provider and therefore violated the Commission's competitive bidding rules.<sup>7</sup> We find that a contract award date on FCC Form 471 that predates the expiration of the 28-day posting period similarly violates the Commission's competitive bidding rules.

4. In the case of this Applicant the allowable contact date was April 2, 1999.<sup>8</sup> On its FCC Form 471, Livingston Parish lists March 25, 1999 as the contract award date to vendor Com-Net.<sup>9</sup> This contract award date is seven days before the expiration of the 28-day waiting period. The Common Carrier Bureau has consistently denied requests for review by applicants that had similarly violated the Commission's competitive bidding rules.<sup>10</sup> The Division, therefore, denies Livingston Parish's Request for Review.

5. Applicant argues that the April 2, 2000 letter from vendor Com-Net demonstrates that the March 25, 1999 date on FCC Form 471 was a typographical error and that no violation of the 28-day waiting period occurred.<sup>11</sup> We disagree. The April 2, 1999 letter referenced by

<sup>11</sup> Letter from Vincent Thibodaux, Com-Net Services, Inc., dated April 2, 1999.

Livingston Parish is not a contract for service or an agreement letter signed by both parties. Moreover, that letter is silent on the date of agreement; it only asserts that service will commence on or after the date of the letter.<sup>12</sup> Consequently, we find Livingston Parish's argument unpersuasive and in the absence of other evidence in the record we find that the Applicant violated the 28-day waiting period with regard to the Com-Net vendor.

6. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91, 0.291, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, and 54.722(a), that the Request for Review filed by Livingston Parish School District, Livingston Louisiana, on May 26, 2000, IS DENIED.
