RE: DA No. 01-341/Dkt No. 96-98

Dear Ms. Salas:

With reference to the above, I am writing to support a proposal by State Senator Ron Klein to **avoid 10-digit overlay dialing for our area in Palm Beach County, Florida.**

I support the Senator's idea to have a new area code for Martin, St. Lucie and Indian River counties, thus allowing Palm Beach County to avoid the overlay dialing. Such an imposition in the more populated area of Palm Beach County would cause much disruption and unnecessary expense.

Please know that this is the view of a majority of residents in Palm Beach County.

Sincerely,

George Repantis
