

My story is rather self-explanatory at www.verizonpathetic.com as I'm am the creator of the site. Although, the majority of complaints deal with DSL service, there are many that chronicle other issues of service as well. In fact, I began the site originally due to their strangle-hold on my business with their services. PLEASE DO NOT MAKE THE MISTAKE OF REWARDING THEM FOR THEIR ACTIONS.

Feel free to contact me if you would like further comments.
