RE: **EX PARTE CC Docket No. 98-184**

Dear Ms. Salas:

This is to provide notice of a meeting that took place Thursday, March 29, 2001 in the above-referenced matter. Edward Shakin, Ellen White, Dean Foreman and the undersigned, all of Verizon, met with Carol Matthey and Tony Dale of the Common Carrier Bureau to discuss Bell Atlantic GTE merger conditions in connection with Verizon's acquisition of OnePoint. Specifically, we discussed how this purchase met the the conditions to end the Offering Window period for the unbundled loop promotional discount and to lower the promotional resale discount for services resold to residential customers.

The attached letter to Dorothy Attwood describes more fully the discussion and is being filed 'under seal' due to the confidential nature of the content. Two copies of this notice are being submitted to the Secretary of the FCC in accordance with section 1.1206 of the Commission's rules.

Very truly yours,
