Washington, D.C. 20554

Ex Parte Presentation

- RE: 1) CC Docket 99-68, Inter-Carrier Compensation for ISP-Bound Traffic;
2) CC Docket 96-262, Access Charge Reform;
3) CC Docket 97-146, Complete Detariffing for Competitive Access Providers and Competitive Local Exchange Carriers.

Dear Ms. Salas:

Pursuant to the requirements of Sections 1.1200 *et seq.* of the Commission's rules, you are hereby notified on behalf of XO Communications, Inc. that R. Gerard Salemme, Senior Vice President, External Affairs; Daniel Gonzalez, Vice President, Regulatory and External Affairs; and the undersigned met with the following personnel of the Common Carrier Bureau: Dorothy Attwood, Chief, Common Carrier Bureau; Glenn Reynolds, Deputy Chief, Common Carrier Bureau; Jeff Dygert, Associate Chief, Common Carrier Bureau; Jack Zinman, Legal Counsel to the Bureau Chief; and Jane Jackson, Chief, Competitive Pricing Division.

XO representatives met with FCC staff on April 4 to discuss issues related to the above referenced dockets. At this meeting, XO urged the Commission to ensure that if the FCC decides to adopt a transition period to reform CLEC access charges that such transition period should, at a minimum, match the transition period granted to the incumbent providers for access charge reform in the CALLS proceeding.
