

Re: CC Docket No. 96-45, FCC notice 01-143 adopted 4/26/01; released 4/30/01;
Proceeding #96-45

We feel a ruling that will allow schools to receive funding for Erate Year 4 for internal connections which did not receive funding for Year 3 would best be served with a cap such as: Schools receive funding for Erate Year 4 if they received \$25,000 or less in internal connections for funding Year 3. We also agree with the deadline extension to complete internal connections.
