USAC Administrator's Decision on Appeal

The USAC has mis-understood our situation in appealing their decision to deny discounts on the above listed FRN's. In analyzing our paperwork it looks like we had incorrectly placed our phone services out to bid that were under a pre-existing contract that should have been covered by 470 #81366000043496.

We would like to receive the discounts for our phone services for the 2000-2001 school year equal to:
374748: \$52,920.00

We appreciate any assistance you can provide.

Sincerely,

Stephen Braunius
