REC'D

Dear Ms. Marshall:

This is in response to the request to withdraw the petition for rule making you filed on April 18, 2001, on behalf of Santa Cruz Broadcasting, proposing the allotment of Channel 263A at Saint David, Arizona, as the community's first local aural transmission service. You advise that in accordance with Section 1.420(j) of the Commission's Rules, neither the petitioner, nor any of its principals, has received or will receive any money or other consideration in exchange for the withdrawal of its petition.

As Commission policy refrains from considering a rule making proposal absent a continuing expression of interest, your proposal is withdrawn from consideration, as requested, and is returned herewith.

Sincerely,

John A. Karousos

PETITION FOR RULE MAKING

Santa Cruz Broadcasting ("Petitioner"), by its counsel, hereby petitions the Commission to amend the Table of FM Allotments, 47 CFR Section 73.202(b) of the Commission's Rules, by adding Channel 263A at Saint David, Arizona, as its first local service. According to Petitioner, Saint David is listed in the Rand McNally Commercial Atlas as a census designated place with a population of 1468 persons.

Petitioner has determined that Channel 263A can be allotted to Saint David at the community's coordinates as listed on the Commission's web site and therefore would satisfy the Commission's city of license coverage requirements. Those coordinates are: 31-54-15 N, 110-12-48 W. Petitioner's attached engineering study shows that the allocation would be in full compliance with domestic and international spacing requirements.

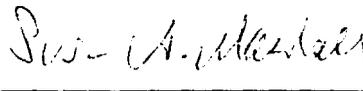

Petitioner proposes that the Commission amend the Table of Allotments, Section 73.202(b), as follows:

	<u>Present</u>	<u>Proposed</u>
Saint David, Arizona	----	263A

Petitioner has represented to undersigned counsel that, upon grant of the proposed allocation, it will promptly file an application for construction permit for Channel 263A at Saint David and, if granted, will promptly construct the station.

Respectfully submitted,

SANTA CRUZ BROADCASTING
