We received a Funding Commitment Decision Letter from the Universal Service Administrative Company and this is our letter of appeal. Our school filed a number of 470s for the funding year July 1, 1999 - June 30, 2000, the notices we received from the SLD with our USCEN were mixed up and placed with the wrong 470s. The application in question was filed at a later date and it does contain the incorrect USCEN. The Funding Commitment Decision Explanation given was the 470 cited did not include service of this type, therefore it does not meet the 28 day competitive bidding requirement. In fact we did have our 470 filed and it did meet the 28 day competitive bidding requirement but we made the error of citing the incorrect 470. Please know that this was an error on our part and we feel that we still should be considered for funds. The early forms were very confusing and the letters back from the SLD were also confusing. It was difficult to match them to the correct 470.

Looking over the paper work we still have some confusion as to what USCEN goes with what 470. Please check each one to qualify the 470 that was filed.

Important Notice from
The Schools and Libraries Division/USAC
about your Form 470 Application

We are pleased to inform you that the Schools and Libraries Division/USAC (SLD) has received your properly completed FCC Form 470, Description of Services Requested. This letter provides important information about the processing of your Form 470 application. Please read this letter carefully and retain it for your records and future reference.

SLD has assigned the following Universal Service Control Number (USCN) to your FCC Form 470: 189640000236190. Please record this number in a safe place. The USCN is used to track your Form 470, and it must be provided when completing a FCC Form 471, Services Ordered and Certification Form, that is based upon your Form 470 application. Any Form 471 applicant that relies on your Form 470 application must know the USCN for this application, and must be expressly listed in the Form 470 application in Item (19) of that Form. You may wish to share the USCN for your Form 470 application with those schools and/or libraries that are listed in Item (19) of your application to assist in their preparation of Form 471 applications.

The next step in the application process is the completion of a FCC Form 471 application, Services Ordered and Certification Form. FCC rules require that request for new services be posted on the SLD Web Site for a period of 28 days before you enter into and sign any contracts with service providers. Your application was posted by the SLD on 03/06/1999. Accordingly, a contract or contracts may be signed for requested services on or after 04/03/1999. The SLD will be prepared on that date to receive your Form(s) 471. A properly completed Form 471, with a signed Form 471 certification, must be received by the SLD no later than 04/06/1999 in order to meet the SLD 126-day window. If the earliest allowable submission date is after the window date, your application will not be considered together with those received within the window.

A properly completed certification for your Form 470 has been received and entered.

It is important to remember that not all requested services may necessarily be approved for discounts. Your application is subject to review by the SLD for a determination of funding eligibility before funds are committed. (This review will consider all program rules including eligibility of discount recipients and the eligibility of services for which discounts are requested.) In addition, availability of funds will be a factor in funding decisions. Therefore, you should consider the possibility of a denial of funding or a level of funding below your request, and include appropriate contingencies in contracts for any or all of the requested services.

If you have any questions, please call the SLD Client Service Bureau at 888-203-8100.
