Re: CC Docket No. 01-88, In the Matter of Application by SBC
Communications, Inc., et al., for Provision of In-Region InterLATA
Services in Missouri

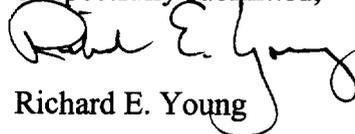

Dear Ms. Salas:

Yesterday, I submitted an *ex parte* letter in the above-referenced proceeding on behalf of AT&T Corp. and pursuant to the request of Commission Staff. The letter principally responded to a number of questions from Staff, as well as to arguments raised by SWBT for the first time in its reply comments, regarding such issues as the updating of records in SWBT's LMOS legacy systems.

Attached hereto is a verification, executed by Walter W. Willard, which should have been attached to yesterday's *ex parte* letter. It is requested that the verification be attached to the copies of the letter that were submitted yesterday.

Thank for your assistance in this matter.

Respectfully submitted,

Richard E. Young
