ORDER

Adopted: May 22, 2001

Released: May 23 , 2001

By the Accounting Policy Division, Common Carrier Bureau:

1. The Accounting Policy Division (Division) has under consideration a Request for Review filed by Weskan Unified School District #242 (Weskan), Weskan, Kansas, requesting review of a decision by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company.¹ Weskan seeks review of SLD's denial of its service change request.² Weskan seeks to reduce the service being funded, a 256Kb internet access line, to a slower 128K access line, because the costs of the 256K line were raised by the provider post-approval, allegedly due to cost-factors beyond the service provider's control.³

2. The Division has learned from SLD personnel that on April 30, 2001, SLD reconsidered its earlier denial and granted Weskan's request, mailing the decision to both Weskan and the service provider. Because the Division finds that the errors asserted by Weskan in its Request for Review have been corrected by SLD, the Division dismisses the Request for Review as moot.

¹ Letter from Greg Robinson, Weskan Unified School District #242, to Federal Communications Commission, filed July 17, 2000 (Request for Review).

² See Appeal Register (November 16, 2000) (noting that service request was denied via e-mail dated July 11, 2000).

³ Request for Review at 1.

3. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91.0.291, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91.0.291, and 54.722(a), that the Request for Review filed by Weskan Unified School District #242, Weskan, Kansas, on July 17, 2000 IS DISMISSED as moot.
