Re: Docket Number: 00-221
Ex Parte filing

Dear Ms. Salas:

On Tuesday, June 12, 2001, Russell Fairbanks of Itron, Inc., Chris Giblin of Reliant Energy, Michael Krokowski of DataCom, Jill Lyon of United Telecom Council, Larry Movshin and Tim Cooney representing the American Hospital Association, Stacy Rantala of the National Energy Marketers Association, and Henry Goldberg, counsel for Itron, Inc. met with Adam Krinsky, Senior Legal Advisor to Commissioner Tristani concerning the above-referenced proceeding. We discussed the allocation of frequencies in the 1427-1432 MHz band to utility telemetry and wireless medical telemetry on a co-primary basis, which is discussed fully in the comments of Itron and the American Hospital Association in this proceeding.

If there are any questions in this regard, please contact the undersigned.

Sincerely,

Henry Goldberg
Attorney for Itron, Inc.
