**COMMENTS of BK Radio**

BK Radio ("BK") hereby advises the Commission that BK supports the proposal, set forth in the Notice of Proposed Rule Making, released April 27, 2001, in the above-captioned proceeding, to allot Channel 223A to Shiner, Texas. Moreover, in the event that this channel is allocated Shiner, BK intends to file an application for a construction permit for that allocated channel and, if that application is granted, BK intends to construct and operate a station on that channel in that community.

In accordance with Section 1.52 of the Commission's Rules and Regulations, I hereby certify that I have examined the foregoing comments and they are true and correct to the best of my knowledge and belief.

Respectfully submitted,  
BK Radio
