Re: Ex Parte Presentation  
IB Docket No. 99-81

Dear Ms. Salas:

On behalf of Celsat America, Inc. ("Celsat"), Toni Cook Bush spoke over the telephone yesterday, June 14, 2001, with Linda Haller, Assistant Bureau Chief of the International Bureau, and earlier today, with Donald Abelson, Chief of the International Bureau. During both telephone calls, Ms. Cook Bush discussed the status of Celsat's pending Ka-band license application. During both telephone calls, Ms. Cook Bush also urged the prompt grant of Celsat's application, noting that Celsat has been seeking a license from the Commission for approximately ten years. In addition, Ms. Cook Bush informed both Ms. Haller and Mr. Abelson that Celsat will provide low cost service to rural and under served areas.

On behalf of Toni Cook Bush, and in accordance with section 1.1206(b) of the Commission's rules, two copies of this letter are being submitted for inclusion in the docket noted above. Please direct any questions concerning this matter to the undersigned.

Very truly yours,

Harry Wingo  
Counsel to Celsat
