Re: Docket Number: 00221
Ex Parte filing

Dear Ms. Salas:

On Thursday, June 28, Leroy Nosbaum of Itron, Inc. and Henry Goldberg, met with Peter Tenhula, Senior Legal Advisor to Chairman Powell, concerning the above-referenced proceeding. We discussed the allocation of frequencies in the 1427-1432 MHz band to utility telemetry and wireless medical telemetry on a co-primary basis, which is discussed fully in the comments of Itron and the American Hospital Association in this proceeding.

If there are any questions in this regard, please contact the undersigned.

Sincerely,

Henry Goldberg
Attorney for Itron, Inc.
