Re: Ex Parte
IB Docket No. 99-81

Dear Ms. Salas:

On behalf of Celsat America, Inc. ("Celsat"), you are hereby notified that yesterday Toni Cook Bush spoke by telephone with Bryan Tramont of Commissioner Abernathy's office and Adam Krinsky of Commissioner Tristani's office. During the telephone conversations, Ms. Bush urged the Commission to issue licenses to each of the 2 GHz MSS applicants without conditions. Ms. Bush also urged the Commission to issue such licenses expeditiously so that Celsat can bring its valuable service to the public as soon as possible.

In accordance with section 1.1206(b) of the Commission's rules, two copies of this letter are being submitted for inclusion in the docket noted above. Please direct any questions concerning this matter to the undersigned.

Very truly yours,

Brian Weimer

cc: Adam Krinsky
