**Re: Conestoga Wireless Company
Second Quarterly TTY Implementation Report
CC Docket 94-102**

Dear Ms. Salas:

On behalf of Conestoga Wireless Company ("Conestoga") and pursuant to the directive contained in the Commission's *Fourth Report and Order* in CC Docket No. 94-102, FCC 00-436 (*rel.* December 14, 2000), we are transmitting herewith the original and four copies of its "Second Quarterly Report" concerning TTY digital deployment. Pursuant to the Commission's instructions, we are also submitting this report through the Commission's Electronic Comment Filing System.

Please refer any inquiries or correspondence in connection with this matter to our offices.

Very truly yours,

John A. Prendergast
Counsel to Conestoga Wireless Company

**Re: CC Docket No. 94-102
Second Quarterly TTY Implementation Report
Conestoga Wireless Company**

Dear Ms. Salas:

Conestoga Wireless Company ("Conestoga") hereby submits its first quarterly report on implementation of TTY access to 9-1-1 over its digital wireless network, pursuant to the Commission's *Fourth Report and Order* in CC Docket No. 94-102, released December 14, 2000. Conestoga is licensed to provide broadband PCS services in the following BTA markets:

Market	Block	Sub	Call Sign	Market Name
BTA360	C		WPOJ725	Pottsville, PA
BTA370	C	2	WPOJ726	Reading, PA
BTA429	C		WPOJ727	State College, PA
BTA437	C		WPOJ728	Sunbury-Shamokin, PA
BTA475	C		WPOJ729	Williamsport, PA
BTA360	D		KNLF905	Pottsville, PA
BTA370	D		KNLG701	Reading, PA
BTA437	D		KNLG945	Sunbury-Shamokin, PA
BTA475	D		KNLG703	Williamsport, PA

Conestoga's digital wireless network is currently using GSM infrastructure equipment from Nortel. As a result, Conestoga is dependent on Nortel for the implementation of a digital TTY solution. Once the Nortel TTY solution becomes commercially available, Conestoga will implement the solution throughout its network.

It is Conestoga's understanding that Nortel will be filing a TTY capability status report through the TTY Forum. Conestoga therefore directs the Commission to Nortel's report for specific information regarding the company's TTY development and deployment activities. Conestoga assures the Commission that it will make every effort to implement TTY capability in its markets by the June 30, 2002 deadline.

Respectfully Submitted,

CONESTOGA WIRELESS COMPANY
