Re: Revision of the Commission's Rules to Ensure Compatibility with  
Enhanced 911 Emergency Calling Systems, CC Docket No. 94-102

Dear Ms. Salas:

On Friday, July 20, 2001, Philip Verveer and I, on behalf of TruePosition, Inc. ("TruePosition") met with Jordan Goldstein of Commissioner Copps' office.

At this meeting, we discussed AT&T Wireless Services, Inc.'s and Cingular Wireless LLC's pending waiver requests, and the potential impact of these waiver requests on the deployment of E911. We also discussed TruePosition's AMPS, TDMA and CDMA location technologies, as well as TruePosition's views about the use of MNLS location technology for public safety.

In accordance with the Commission's rules, I am submitting two copies of this letter.

Sincerely,

David M. Don
