In the matter of: Request for Review by Cooperative Educational Service Agency #2  
(CESA #2) of Decision of Universal Service Agency  
FCC Docket Nos. 96-45 and 97-21  
Billed Entity Number: 132971  
471 Application Number: 265173

This letter is an appeal for the review of a Fund Year 4 FORM 471 – Rejection Letter, dated March 22, 2001. This letter is being written because the SLD denied the appeal in full with a letter dated June 26, 2001. The Form 471 was rejected because it was stated that the entire FCC Form 471 was not on the approved FCC Form 471 dated October 2000 in the lower right-hand corner of the form.

Cooperative Educational Service Agency #2 (CESA #2) is appealing this decision because only three pages: page 1, 2, and 5 were submitted using the FCC Form 471 dated September 1999 in the lower right-hand corner of the form when filing FCC Form 471. The remaining 83 pages of Page 3A and 33 pages of Page 4 of our application were done on FCC Form 471 dated October 2000. It is very important to note that there are no substantive differences on page 1, 2, and 5 between the September 1999 form and the October 2000 pages. (see enclosures)

CESA #2 used the “e-rate Advisor 2001” software from Funding For Learning, LLC for page 1, 2, and 5 to create FCC Form 471. This software used FCC Form 471, dated September 1999 in the lower right hand corner of the form.

We request that the denial of our discounts for Year 4 be reversed and that our discounts be restored.
