July 27, 2001

Ms. Magalie Roman Salas, Secretary  
Federal Communications Commission  
The Portals, TW-A325  
445 12<sup>th</sup> Street, S.W.  
Washington, D.C. 20554

Re: Ex Parte Notification – WT Docket No. 00-32

Dear Ms. Salas:

This letter is being filed on behalf of the following individuals and organizations: Richard Roberts - Director of Special Operations for the International Union of Police Associations; Thomas Steele - Chair, Law Enforcement Information Managers Section, International Association of Chiefs of Police; Alan Caldwell - Director of Government Relations for the International Association of Fire Chiefs; James Boone - Vice President for Strategic Planning for Operation Respond; and John Lyons - Director of Telecommunications Strategy and Regulation, Motorola.

On July 25, 2001, the individuals listed above met with Eli Johnson, Ron Netro, Blaise Scinto, Tom Stanley, and D'wana Terry of the Wireless Telecommunications Bureau; Lisa Gaisford, Kathryn Hosford, Julius Knapp, Ted Ryder, and Fred Thomas of the Office of Engineering and Technology; and Julie Buchanan of the International Bureau.

During the meeting, there was a discussion of the practical benefits to public safety operations, including law enforcement, fire fighting, emergency medical services, and hazardous materials response, that would be provided by the use of telecommunications applications that need broadband wireless spectrum.

Please contact John Lyons at (202) 371-6936 regarding any questions concerning this matter.

Respectfully Submitted,

**John Lyons**
