RE: Ex Parte Presentation in the Matter of Implementation of Section 304 of the
Telecommunications Act of 1996, Commercial Availability of Navigation
Devices, CS Docket NO. 97-80

Dear Ms. Salas:

On July 23, 2001, representatives of RadioShack and Circuit City, on behalf of the
Consumer Electronic Retailers Coalition (CERC), met with Commissioner Gloria
Tristani and her legal advisor, Paul Gallant, to present the issues outlined in CERC's
recent "Status Report - J2K plus 1." RadioShack and Circuit City specifically outlined
for the Commissioner concerns relating to the disparity in standards used by the MSOs
and those presented by OCAP, as well as the economic issues relating the competitive
availability of navigation devices.

Sincerely yours,

Jennifer L. Blum
