FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

RE: Ex Parte Presentation in the Matter of Implementation of Section 304 of the  
Telecommunications Act of 1996, Commercial Availability of Navigation  
Devices, CS Docket NO. 97-80

Dear Ms. Salas:

On July 20, 2001, representatives of RadioShack and Circuit City, on behalf of the  
Consumer Electronic Retailers Coalition (CERC), met with Commissioner Kevin Martin  
and his legal intern to present the issues outlined in CERC's recent "Status Report - J2K  
plus 1." RadioShack and Circuit City specifically outlined for the Commissioner  
concerns relating to the disparity in standards used by the MSOs and those presented by  
OCAP, as well as the economic issues relating the competitive availability of navigation  
devices.

Sincerely yours,

Jennifer L. Blum
