Dear Sir or Madam:

This is an SLD letter of appeal. I was told to refer to refer to CC Docket Nos. 96-45 and 97-21 on the first page of the application This is an appeal. Our form 471 application #264601 was rejected, because of incompleton. Pertinent data follows:

Re: Billed Entity Number: 131011
471 Application Number: 264601
Funding Request Number(s): Application Failing Minimum Processing
Standards
Your Correspondence Dated: April 2nd, 2001

After thorough review and investigation of all relevant facts, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company ("USAC") has made its decision in regard to your appeal of SLD's Year Four Funding Commitment Decision for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 30-day time period for appealing this decision to the Federal Communications Commission ("FCC"). If your letter of appeal included more than one Application Number, please note that for each application for which an appeal is submitted, a separate letter is sent.

Funding Request Number: Application Failing Minimum Processing Standards
Decision on Appeal: **Denied in full**
Explanation:

- Your appeal claims that a completed Form was submitted, but one page of the Form was illegible. You would like the SLD to consider within the original funding window for Year Four.
- Program rules require a completed and legible Form 471 be received before the close of the funding window in order to be considered for funding. Block Four of your Form 471 was illegible, therefore SLD was unable to data enter your application and it was returned to you. The SLD is unable to waive or change the program rules. Your resubmitted complete and legible Form 471 was not postmarked by the January 18th, 2001 deadline for submittal of an inside the window Form 471. Consequently, your application will not be considered for funding, and your appeal is denied in full.

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12th Street, SW, Room TW-A325, Washington, DC 20554. Please reference CC Docket Nos. 96-45 and 97-21 on the first page of your appeal. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted on the website at <www.universalservice.org>. **You must file your appeal with the FCC no later than 30 days from the date on this letter for your appeal to be filed in a timely fashion.**

We thank you for your continued support, patience, and cooperation during the appeal process.
